```

The diagram illustrates a function call. A gray rectangular box on the left contains the text "mknix::ShapeFunctionRBF" on the top line and "::calc" on the bottom line. Two blue arrows originate from the right side of this box. The top arrow points to a white rectangular box on the right containing the text "mknix::Point::getX". The bottom arrow points to another white rectangular box on the right containing the text "mknix::Point::getY".
