

mknix::Force::Force

```
graph LR; A[mknix::Force::Force] --> B[mknix::Simulation::getDim]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text 'mknix::Force::Force'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'mknix::Simulation::getDim'.

mknix::Simulation::
getDim
